No
- **Proclamation name, details and event information**
We ask for the Town of Orangeville to proclaim May 2023 as Jewish Heritage Month in the Town.

A written proclamation is acceptable and most preferred would be a 2-4 minute video greeting done by the Mayor announcing the proclamation. The Mayor can speak to the Jewish community of Orangeville, of Ontario and Canada writ large. Discussing the contributions that Jewish Canadians have made is a good place to start.

The written proclamation can be as simple as "The Town of Orangeville proclaims May 2023 as Jewish Heritage Month." For more elaborate examples, refer to our 2022 Proclamations page to refer to examples that have come from other municipalities:
