### **Recommendations**

**That report CMS-2020-011 regarding the 2020 Business and Economic Development Advisory Committee (BEDAC) Annual Report be received.**

### **Background and Analysis**

The BEDAC is comprised of eight members, including one member of Council, one representative of the business community, two members of the general public, and one representative appointed by each of: the Dufferin Board of Trade, the Orangeville Business Improvement Area, the Orangeville & District Real Estate Board, and the Orangeville Home Builders' Association.

The committee advises and makes recommendations to Council regarding policies, strategies and implementation plans to support and enhance the Town of Orangeville's business and economic development, tourism and cultural programs. It meets on a quarterly basis.

Despite constraints imposed by the Covid-19 pandemic, the BEDAC met three times in 2020 (June 23, September 22, December 1). The committee received updates and contributed to Covid business recovery plans and initiatives of the Economic Development and Culture division. They received progress reports on the 2020 draft Tourism Strategy and Action Plan and also provided sector-specific updates on behalf of the business community.

An annual work plan outlining the goals and objectives of the committee for 2021 can be reviewed in **Attachment 1** to this report.
