Orangeville, ON L9W 1K1

Attention: Tony Dulisse

Dear Sir:

**Re: Tim and Lisa White and Town of Orangeville
Removal of Easement on 38 Glenforest Drive, Orangeville**

Further to my discussions with you, and also with Rob Koekkeok, in connection with the above, we understand that the easement is being released. We have therefore prepared and enclose the Acknowledgment and Direction for the Transfer Release & Abandonment of the above noted property.

Kindly advise who will be acting for the Town on this matter, and we will forward the document to them to arrange signing by the Town.

If you have any questions, please do not hesitate to contact me. We look forward to concluding the Release as soon as possible.

Yours truly,
