I would like to nominate Rob Jeffery [REDACTED] of the brand-new company "Impactability"
<https://impactability.ca/>

[REDACTED]

[REDACTED]

Reason for nomination:

As many on the Access Orangeville Committee may remember Rob was the community member who was the catalyst for the approval for the Town of Orangeville to buy 10 accessible sledges (accessible skating technology) and have accessible skating integrated into our Rec programs. Rob is a community member with lived experience and has also opened his own Accessibility Advocacy Company that does accessibility consulting, accessibility assessments and advocacy.

[REDACTED]

This [REDACTED] volunteers countless hours towards accessibility advocacy, volunteerism and work. I would highly recommend you check out their brand new business – proudly owned and operated by them in Orangeville, Dufferin County and beyond. Our town should be so proud of the homegrown talent we have here!

People like Rob [REDACTED] make Orangeville a more accessible place to live, play and work.

Please consider Rob, [REDACTED] and their new company Impactability for the award of accessibility champions.

Thank you and I will look forward to seeing everyone in May.
