Subject: Our thanks and appreciation!

Hello Sandy:

On behalf of the Festival, I would like to extend our thanks to you and the Members of Council for providing the Orangeville Blues and Jazz Festival with the opportunity and funding to participate in the opening weekend of the Town of Orangeville Summer Series.

The two Festival concerts were very well received and enjoyed by the attendees. The opportunity to work with the Town on this successful project has helped to provide further impetus for the return of the Orangeville Blues and Jazz Festival in the Spring of 2022!

We would also like to note our thanks and appreciation to Sharon Doherty and her team for producing a very successful event. They were a pleasure to work and extremely well organized.

Best regards - Peter.

Peter Ross | Director of Development & Marketing
