AMENDMENT NUMBER 9
TO THE OFFICIAL PLAN
FOR THE
TOWNSHIP OF EAST GARAFRAXA

PART A – THE PREAMBLE

1.0 **LOCATION**

This Amendment applies to the lands of the Township of East Garafraxa in their entirety.

1.1 **PURPOSE OF THE AMENDMENT**

The purpose of this Amendment is to improve the quality of planning application submissions and assist the Township in its ability to process planning applications in a timely manner to enable the Township to provide decisions within the statutory timelines of the Planning Act as amended by the More Homes for Everyone Act, 2022.

1.2 **BASIS OF THE AMENDMENT**

The More Homes for Everyone Act, 2022 is an Act to amend various statutes with respect to housing, development and related matters. The Act has introduced a number of new planning process requirements in the Planning Act. These include application fee refunds for zoning and site plan applications when no decision is made on such applications within the statutory timelines.

Through a review of the requirements of the Act, it was determined that to implement the directions it is necessary to improve the quality of planning applications and enable the Township to process applications in a more timely manner.

Changes to the Township's policies with respect to pre-application consultation and complete application requirements in Section 9.8 of the Official Plan to reinforce the need for mandatory pre-consultation and establish a more detailed complete application review process will assist in achieving these objectives. Furthermore, due to the complexity of Planning Act applications, it is necessary to allow time for sufficient consideration of each individual application type by Council, staff, agencies and the public. For this reason, applications should generally not be combined or processed concurrently.
