Division: Economic Development

Report #: CMS-2022-016

Meeting Date: 2022-08-08

Recommendations

That report CMS-2022-016 dated August 8, 2022, be received.

Background and Analysis

The attached list of new businesses registered/established within the Town of Orangeville is developed as a result of input from a number of Town Departments, including the Small Business Enterprise Centre/Economic Development, Administration, Clerk's Office, Planning, and Building/By-law.

Staff endeavour to provide a comprehensive and inclusive listing. However, our ability to include all businesses starting in Orangeville will be affected by the following limitations:

- Business registrations are completed via the internet and the Town does not have access to these registrations unless performed within the Economic Development/SBEC Resource Centre.
 - Sole proprietors operating under their own legal names only are not required to register their businesses.
 - A large number of home-based proprietorships are established each year, many of them offering very specific services to targeted markets. As a result of the volume of these operations, and for the convenience of Council, staff will provide numbers of home-based operations started in town, based on the information available to staff, as opposed to providing in-depth information about them.
