Subject: Fwd: Safety in Settlers Creek
Date: Sunday, August 7, 2022 3:52:10 PM

As a resident of ALTHORP Dr in Settlers Creek, I am very much in favour of a Stop sign at Cornwall Gate/Abbey & Spencer. Leaving Cornwall Gate/Abbey when there are cars parked in the driveways at the west corners of Spencer or in the winter when there are snow banks, visibility is next to none. We can't see cars coming from the west until they are past the driveway next to Abbey/Cornwall gate. Even if the driver on Spencer is abiding by the 40km speed limit, it's dangerous because there isn't enough time to stop.
