This proposed OPA represents the second of multiple amendments to the existing County Official Plan that relates to the schedules and maps for the county growth structure, including a settlement area hierarchy, natural heritage, and agricultural areas to reflect the potential growth allocations presented in the Land Needs Assessment (LNA).

The second phase OPA applies to the whole of the County of Dufferin and therefore, a key map is not provided with this Notice.

The purpose of the Public Information Center and public meeting is to present the proposed second phase OPA being put forward for consideration as a result of the County's MCR exercise under Section 26 of the Planning Act, R.S.O. 1990, c.P.13, as amended, and to provide an opportunity for the public to provide input.
